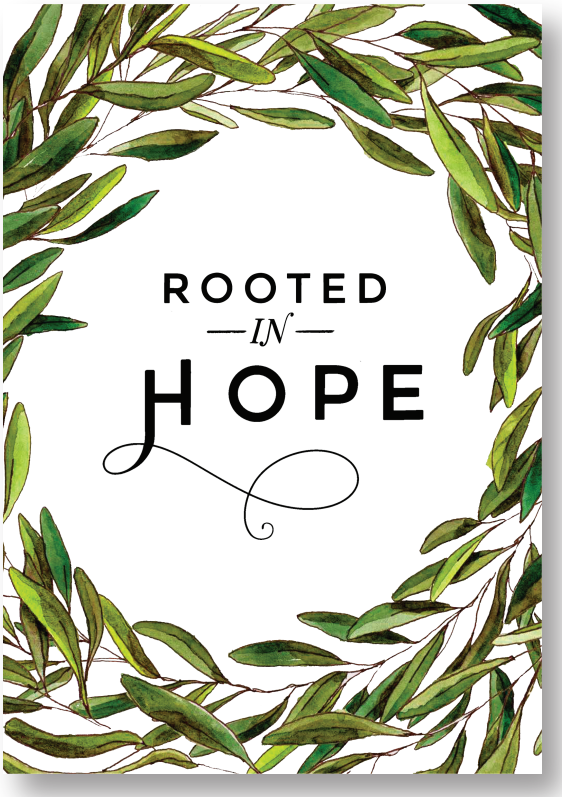
# LOOKING FOR *HOPE* THIS ADVENT?



A newly revised bestseller, Rooted in Hope is a 33-day Advent and Christmas study that extends from November 30 to January first. In a look at Scriptures that tell the stories of prominent biblical figures, this study echoes and expands upon the popular Advent tradition of a Jesse tree. For each day, you'll find Scripture, a devotional essay, pages for guided lectio divina, and space to organize your days. Journaling pages and useful planning pages feature clear and elegant design, exquisite hand-drawn illustrations, and gorgeous calligraphy. A handy companion for Advent and Christmas seasons, the book will become a treasured keepsake for the woman who uses it.
